MEMORANDUM FOR: Contracting Officer, DPD-DD/P

4 FEB 1959

THROUGH : Deputy Director, DPD-DD/P

REFERENCE : Memorandum for the Record, dated 20 January 1959,
Subject "Contract Negotiations at CONVAIR, Fort
Worth [REDACTED]"

25X1A
25X1A

On 2 February in the course of our discussion of approvals procedure, I called your attention to the referenced memorandum and asked you whether any of the matters therein mentioned await decision or action by me. I believe that (characteristically) I never gave you time to answer me. Could you glance at it and let me know. I am under the impression that decisions have now been made on almost all of the required actions listed in your memorandum. If I am right, you might simply so advise Doris by phone. If there are points still to be settled you could likewise let her know so you will not have to write another paper.
